To Play VIA-ingo (Bingo)

It's easy to mark down numbers, but how good are you at spotting strengths? When you see a strength in action, place a check in the corresponding box and note down how it was expressed.

If you obtain a full row, column or diagonal line of checked strengths, call out "VIA-ingo!" (diagonal lines must go through the midpoint).

Provide a brief recount to fellow players of how each contributing strength was expressed to claim the title of VIA-ingo Virtuoso.
